## ZIMBABWE GRAIN BAG

### Zimbabwe Grain Bag

Zimbabwe Grain Bag is a leading manufacturer of woven polypropylene packaging.

The factory based in Bulawayo, has been in operation for over 25 years.

A full range of polywoven packaging is made to customer specification.

ZGB is renowned for its ability to manufacture large quantities of full specification anti slip grain storage bags, with a proven track record in the supply to both domestic and regional grain markets.

Printed packaging is also made for the stockfeed and other agro industrial sectors.

The recent introduction of BOPP laminated packaging to supply the roller meal market has been well received.

Strong packaging combined with high print quality ensures customer satisfaction.

ZGB is also the leading manufacturer of Flexible Intermediate Bulk Containers, also known as Bulk Bags.

Made to the highest international standards, these bags are supplied to the mining sector for export of minerals.
